1. Introduction & Acceptance of Terms

Welcome to **Myin Thar Myo Oo Monastic Education School & Youth Development Charity (MTMO)**. Established in 1993, MTMO provides free educational opportunities (Kindergarten to Grade 9), holistic youth development, moral guidance, and residential care for children and young people with limited access to education.

By enrolling a student, visiting our facilities, participating in our programs, or supporting our charity initiatives (as a volunteer, donor, or partner), you agree to abide by these Terms & Conditions. Please read them carefully.

2. Our Core Educational Philosophy & Values

MTMO operates on foundational principles rooted in monastic education, discipline, integrity, and community welfare. All students, parents, guardians, and visitors are expected to respect and support our core values:

- **Child-Centered Approach:** Recognizing that every child possesses unique strengths, potential, and individual worth beyond standard academic metrics.
- **Discipline & Integrity:** Upholding honesty, respect, and high moral character in daily life and academic pursuits.
- **Responsibility & Social Contribution:** Fostering accountability for one's own actions and encouraging a commitment to helping families, communities, and society.
- **Trust & Transparency:** Maintaining open, respectful, and honest communication among students, parents, teachers, monastic leadership, and partners.

3. Admissions & Enrollment Policy

- **Eligibility:** MTMO provides accessible education primarily for children and young people facing limited educational access due to family circumstances, geographical challenges, or socio-economic hardship.
- **Tuition-Free Education:** Educational services from Kindergarten (KG) to Grade 9 are provided completely free of charge.
- **Accurate Information:** Parents and guardians must provide truthful, complete information during the application process. Providing false or misleading information may result in the review or withdrawal of enrollment.
- **Admission Discretion:** Admissions are evaluated in accordance with school capacity, governance guidelines, and the specific needs of vulnerable or remote-area children.

4. Residential Care & Support Guidelines

For students residing at our charity home (receiving accommodation, meals, clothing, and essential support):

- **Code of Conduct:** Residents must adhere strictly to school rules, dormitory guidelines, and monastic regulations. Respect for peers, teachers, and supervisory staff is mandatory.
- **Personal Belongings & Property:** Students are expected to take proper care of school property, shared residential spaces, and provided materials. Intentional damage or vandalism may result in disciplinary action and financial responsibility for repairs.
- **Health and Safety:** Parents/guardians must disclose relevant medical history or special needs. MTMO will provide reasonable care and support, but retains the right to coordinate emergency medical care when necessary.

5. Student Conduct, Attendance, & Participation

- **Holistic Engagement:** Students are expected to participate actively not only in academic classes (KG to Grade 9) but also in integrated youth development programs, including sports, arts, life skills, and leadership activities.
- **Attendance:** Regular attendance is vital for personal growth and educational success. Unexcused absences should be reported and justified by parents or guardians promptly.
- **Zero Tolerance for Harassment:** MTMO maintains a safe, inclusive environment. Bullying, physical violence, discrimination, theft, or possession of prohibited substances (such as tobacco, alcohol, or illicit materials) will result in immediate disciplinary review.

6. Donor, Volunteer, & Partner Terms

- **Donations & Contributions:** All financial and in-kind contributions made to MTMO are dedicated to supporting student education, meals, accommodation, and operational sustainability. Contributions are managed with transparency and accountability under our governance framework.
- **Volunteer Conduct:** Volunteers and external partners working with MTMO must respect the cultural, religious, and educational values of the school, prioritize child safety at all times, and comply with background check requirements where applicable.

7. Privacy & Data Protection

- **Student & Family Privacy:** MTMO respects the privacy of students and families. Personal information collected during admission is kept secure and used solely for educational, administrative, and welfare purposes.
- **Media & Publicity:** Photographs or stories of students involved in school activities may occasionally be shared in annual reports or promotional materials to highlight our impact. Families who prefer their child's likeness not to be published must submit a written request to the school administration.
